Hiring Manager
Seattle City Light
24th January 2024

Dear Hiring Manager,

I am writing to express my sincere interest in the Business Data Analyst Intern position at Seattle City Light. As a highly motivated Data Engineer with a strong technical background and professional experience in Information Technology, I am eager to contribute my skills to support Seattle City Light in its progress and advancements. With a Master's degree specializing in Big Data Systems and Analytics, I have honed my technical skills in various programming languages and frameworks, including Python, SQL, Java, R, and HTML. My hands-on experience with Database and Workflow Tools such as MySQL, phpMyAdmin, JIRA, and ServiceNow provides a solid foundation for efficiently handling and processing data. Additionally, my proficiency in Sublime Text, GitHub, and reporting tools like MS Excel and MS Word demonstrates my ability not only to develop and analyze but also to effectively communicate and represent data-driven solutions.

In my previous role as a Custom Software Engineering Analyst at Accenture Solutions Private Limited, I successfully tailored queries to address live production data challenges, showcasing my adaptability and problem-solving skills. My promotion within the first year of work reflects not only my technical competence but also my leadership and management abilities. Furthermore, my academic projects, such as "Diabetes Prediction using Machine Learning" and "Full Stack Enterprise Resource Planning Website," showcase my capability to design and implement data infrastructure elements and work with large datasets.

I am particularly drawn to the opportunity to serve as the Business Data Analyst Intern at Seattle City Light, as it offers collaboration with seasoned data engineers and the chance for mentorship. I am enthusiastic about leveraging my skills and acquiring knowledge from esteemed professionals to deliver measurable results in real-world projects. As a dedicated graduate student, I am confident in my ability to succeed in this program, given my track record of technical proficiency, adaptability, and critical thinking skills.

I am eager to discuss how my technical expertise and passion for community involvement can contribute to the team at Seattle City Light. Please feel free to contact me via email at shetty.prar@northeastern.edu or phone at (857) 961-7073 to schedule an interview. I appreciate your consideration of my application and look forward to the opportunity.

Sincere regards,
Prarthana Ganesh Shetty
